

Name: Arghya Taraphder

Faculty Positions :

**Professor and former Head, Department of Physics and
Centre for Theoretical Studies,
Also at Centre for Nanoscience and Nanotechnology,
Indian Institute of Technology, Kharagpur 721302, India.
Formerly in the faculty of HRI Allahabad.**

Education:

PhD in theoretical condensed matter physics, IISc, Bangalore.

Post-Doctoral associate: Rutgers University, NEC Princeton and CNRS, Grenoble

**Visiting Professor: Michigan State University; Max Planck Institute for complex
Systems, Dresden; CSIC, Madrid; University of Neuchatel and others.**

Former Associate: AS-ICTP

Current Research Interests:

Correlated and disordered fermions and bosons
